4 February 2019

Dear Parent/Carer

Year 6 Numeracy Parent Workshop

On Tuesday 12 February, 6 - 7pm, we are offering a Parent Workshop for Year 6 parents and family members (and pupils). Many parents often comment that they would like to feel better equipped to support their child's progress in numeracy at home, and a key aim of this workshop is to move in that direction together.

During the evening we will share some useful websites and resources that you can access at home with your child. Also, we will look at the most important calculation methods that we use for arithmetic, as well as strategies that you can use to help your child become more confident with reasoning and problem-solving. Given the importance of SATs at this time, we will spend part of the evening working through a few SATs questions together as well.

If you would like to attend could you please return the slip below to Mrs Lawyer in C2.

Yours sincerely

Mrs Lawyer
Head of Maths

✂-----

Year 6 Parent Workshop – please return to Mrs Lawyer in C2 as soon as possible.

Child's Name: _____ Tutor Group: _____

Maths Teacher: _____

Number of family members attending the workshop (including pupils): _____

Signed: _____ Date: _____
(parent/carer)

EACH CHILD IS MY CHILD
